PRODUCT CATALOG

ABOUT THIS RANGE

Innovators, as our reputation precedes us, this time too CIIEL D' ART introduces a unique MELA-PORCELAIN range of products for the first time ever. Made of 100% Food Grade melamine, the products from this range have Porcelain like finish for HO RE CA operators. This exclusive and innovative range of products serves well for the hospitality industry for rich dining experiences.

CIIEL D' ART products are chip and stain resistant & have the look and feel of Porcelain like dinnerware. They are good for both hot and cold foods. This dual color range offers a wide range of design options, allowing for creative combinations of colors and textures with delicate appearance, smooth texture and high durability of porcelain. The dual-color feature add a touch of elegance and style to the table setting, making it suitable for both casual and formal dining occasions. Additionally, the color contrast can help in distinguishing different types of food or individual servings.

Care instructions:

- Ciieel D Art products can be washed in an automatic dishwasher or by hands
- Always use non-abrasive cleanser only
- To remove tough stains use non-abrasive scouring pads with non-abrasive cleanser
- Heating through microwave or oven is not recommended, however the dishes can withstand temperatures up to 140 degrees centigrade
